

EVALUATION CRITERIA – FACULTY OF GEOMATICS

Examination : Semester I (2016/2017) – Year III

Degree Programme : B.Sc. SURVEYING SCIENCES

Subject Code No.	Subject Name	CA/Practical Weightage (%)	End Semester Examination Alternative Assessment	
			Method	Weightage
FC 31234	Fundamentals of Cadastre and Land Management	50%	Open book essay type (2 hours)	30%
			Short Answers - Closed (30 min)	20%
FC 31236	Fundamentals of Hydrographic Surveying	50%	Open book essay type (2 hours)	30%
			Short Answers/MCQ - Closed (30 min)	20%
FC 31140	Geodetic Computations	50%	Open book essay type (2 hours)	30%
			Short Answers / MCQ (30 min) - Closed	20%
FC 31254	Professional Practice	50%	Open book essay type (2 hours)	30%
			Short Answers - Closed (30 min)	20%
FC 31133	Entrepreneurship Skills	100% CA and Workshops	No End Semester Examination	–
FC 31465	Survey Camp	100%	Field Practical Program to be conducted	
FC 31327	Digital Image Processing	20%	Open book Essay type (1.5 hours)	30%
	Digital Image Processing (Practical Examination)		Short Answers – 30 min	20%
FC 31335	Fundamentals of GIS	20%	Practical Exam (1 hour)	30%
	Fundamentals of GIS (Practical Examination)		Closed book Essay type (2 hours)	30%
FC 31337	Fundamentals of Photogrammetry	25% CA 25% Practical assignment (to be completed later)	Closed book short answers (1 hour)	20%
			Practical assignment (1 week) Viva – 15 min each student	30%
FC 31337	Fundamentals of Photogrammetry	25% CA 25% Practical assignment (to be completed later)	Open book Essay type (2 hours)	30%
			MCQ (30 min)	20%
